The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Main aims:

- To establish inclusive youth community by consolidating their leisure time as a positivist youth peer pedagogy towards well-being, reduction of educational dropout and stable mental health.
- To organise leisure motivator activities, workshops and campaigns to stimulate human interaction, verbal interactive cooperation and improvement of 21st centuries skills.

Target groups:

- Youth workers and leaders
- Student leaders
- Student bodies
- Youth organisation responsables
- Disability youth organisations responsables

Following products will be developed:

- **IO1:** Guide for youth workers, leaders and teachers on "How to build-up an Inclusive youth community towards leisure time activities?"
- **IO2:** Handbook with inclusive youth leisure and recreation activities for the youth community
- **IO3:** Mobile application on inclusive leisure and recreation for youth
- **E1:** Multiplier event "Inclusive youth society via youth leisure and recreation actions", Plovdiv, Bulgaria
